BTR Show Prep for 4/4/2010

Diana Weiner: Pruning & Dividing Plants

Greeting	I'm Missa Dixon And this is Missa's Urban Home on Blog Talk Radio The show where we changing lives one extraordinary topic at a time.
Today's show	Today's show I welcome Diana Weiner back to the show our master gardener in residence. Today she and I are going to talk about dividing and pruning your plants.
Weather	Wow what a sunny warm morning. The greenish color being reflected everywhere from the newly budding plants.
Foo Dog Mafia	Yes I have the squeaky toy and we will be throwing it later.
Thankful Moment	Finding a way to work on my right brain issues.
Pointing moment	I saw a Vespa white lining it on the express way.
Upcoming Shows	April 11th (Next week) – T.K. Thorne the author of Noah's Wife will be here talking about her first novel. April 18th – I'm going to have Dell on to talk about Energy healing. April 25th – I'm going to be talking about Acupuncture and eastern medicine.
